

TRIKORA

BEACH CLUB AND RESORT

Water Activity

OPENING HOURS

MON - SUN: 9:00AM - 5:00PM

LAST BOOKING: 3:00PM

Get Wild, Get Wet, Get Surfing

Water activities at Trikora Beach Club & Resort offer more than just excitement—they are a perfect way to reconnect with the sea and nature. Located along the pristine shores of Trikora, each ocean activity provides both physical and mental benefits, refreshing your energy, relieving stress, and creating an active yet relaxing holiday experience. Calm waves and crystal-clear waters create an ideal and safe environment for enjoyable marine adventures.

Kayaking is an ideal option for guests who wish to explore the sea at a relaxed pace while staying active. Gently paddling across tranquil waters allows you to admire Trikora's beautiful coastline from a unique perspective, while strengthening the upper body in a peaceful setting.

Stand-Up Paddleboarding (SUP) offers a fun and calming experience on the water. Gliding over the clear sea while standing on the board helps improve balance, focus, and core strength. This activity is best enjoyed in the morning or late afternoon, when the sea is calm and the sunlight reflects beautifully on the water's surface.

Snorkeling invites you to discover the vibrant underwater world of Trikora, home to colorful marine life and natural coral reefs. With simple equipment, guests of all ages can enjoy an unforgettable experience exploring the clear, shallow waters.

In addition, guests may join a fishing tour to experience traditional fishing in the surrounding waters, or an island tour to explore nearby small islands and their natural beauty. All water activities are available exclusively for in-house guests and are subject to weather and sea conditions to ensure comfort and safety. Advance reservation is required to check availability and can be arranged via WhatsApp or email.
